800 Classic Ornaments and Designs (Dover Pictorial Archive) By Ernst Günther

Graphic artists, illustrators, and craftspeople will welcome this treasury of beautifully engraved ornate frames, scrollwork, and other highly decorative designs — 800 in all — reproduced from an extremely rare mid-19th-century style book.

Comprising 142 plates, the volume features a lavish assortment of ornaments, bedecked with flowers, mythological creatures, and other fanciful touches, all beautifully rendered in meticulous detail. Other striking designs incorporate a rich selection of classical columns, plus heraldic designs — shields, coats-of-arms, seals, and insignias from Austria, Russia, Denmark, France, and many other countries — for a touch of medieval flair or aristocratic ambience. In addition, this collection offers a variety of charming calligraphic alphabets in styles ranging from plain to majestic.

An invaluable source of inspiration and a treasury of designs for permission-free use, these distinctive images are ideal for enhancing such print projects as ads, brochures, newsletters, posters, signs, catalog copy, and much more.
