An Affair with My Mother: A Story of Adoption, Secrecy and Love By Caitriona Palmer

'Incredibly moving' --Anne Enright, winner of the Man Booker Prize

***An Affair with My Mother* by Caitriona Palmer: a moving and gripping story of love, denial and a daughter's quest for the truth.**

Caitriona Palmer had a happy childhood in Dublin, raised by loving adoptive parents. But when she was in her late twenties, she realized that she had a strong need to know the woman who had given birth to her. She was able to locate her birth mother, Sarah, and they developed a strong attachment.

But Sarah set one painful condition to this joyous new relationship: she wished to keep it - to keep Caitriona - secret from her family, from her friends, from everyone.

Who was Sarah, and why did she want to preserve a decades-old secret? *An Affair with My Mother* tells the story of Caitriona's quest to answer these questions, and of the intense, furtive 'affair' she and her mother conducted in carefully chosen locations around Dublin. By turns heartwarming and heartbreaking, *An Affair with My Mother* is a searing portrait of the social and familial forces that left Sarah - and so many other unwed Irish mothers of her generation - frightened, traumatized and bereft. It is also a beautifully written account of a remarkable relationship.

'Caitriona Palmer has called out the false shame of her origins, with a kind of anguished courage that is **incredibly moving**. *An Affair With My Mother* is a forensic account of how it feels to be - in the interests of Catholic "respectability" - excluded from the facts of your own life. In its commitment to family love, to joy and truth, it is a gift.' **Anne Enright, winner of the Man Booker Prize**

Users Review

From reader reviews:

Leonel Burton:

Book is definitely written, printed, or illustrated for everything. You can realize everything you want by a book. Book has a different type. As it is known to us that book is important matter to bring us around the world. Close to that you can your reading talent was fluently. A publication *An Affair with My Mother: A Story of Adoption, Secrecy and Love* will make you to possibly be smarter. You can feel much more confidence if you can know about almost everything. But some of you think this open or reading some sort of book make you bored. It is not make you fun. Why they can be thought like that? Have you looking for best book or ideal book with you?

Lawrence Sawyer:

What do you consider book? It is just for students since they're still students or this for all people in the world, exactly what the best subject for that? Simply you can be answered for that query above. Every person has different personality and hobby for each other. Don't to be pressured someone or something that they don't want do that. You must know how great in addition to important the book *An Affair with My Mother: A Story of Adoption, Secrecy and Love*. All type of book are you able to see on many sources. You can look for the internet methods or other social media.

Lenore Cortez:

As people who live in the particular modest era should be change about what going on or info even knowledge to make them keep up with the era which can be always change and move ahead. Some of you maybe will update themselves by reading books. It is a good choice in your case but the problems coming to you is you don't know what kind you should start with. This *An Affair with My Mother: A Story of Adoption, Secrecy and Love* is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and want in this era.

Jerry Thomas:

Reading a reserve tends to be new life style with this era globalization. With studying you can get a lot of information that will give you benefit in your life. Together with book everyone in this world can easily share their idea. Books can also inspire a lot of people. A great deal of author can inspire their reader with their story or their experience. Not only the storyline that share in the guides. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors on this planet always try to improve their skill in writing, they also doing some exploration before they write on their book. One of them is this An Affair with My Mother: A Story of Adoption, Secrecy and Love.
