Sydney Harter has long awaited September 12th, 2033--her eighteenth birthday. She can finally apply for guardianship of her sister, who is her only family and entire world. She hopes they will be lawfully reunited, but is prepared to **defy authority and risk everything to escape** the captivity of Miles County so that they can be together.

Escaping will be difficult and dangerous. Citizens are bound to their county by sophisticated chip implants that deliver shocks to those who dare to cross the electric barrier. Sydney is very clever, but **her trickery is limited against the all-seeing eyes of technology.** Even if they were to survive the escape, disappearing into the forgotten forests and towns of the past seems an impossible task.

What Sydney doesn't know is that **she is the particular interest of two opposing forces.** With deceit, fear, and warfare surrounding her--can she trust the party that aims to help with her fight against the other? Can she open her heart to receive and return unexpected love? When her **sister's life becomes jeopardized,** Sydney will have to weigh a **new love** against the only enduring love she has known. **The cost could be deadly...**

How will she choose?

From the Author

Let me begin by sending a world of thanks to my dedicated readers. Being a novelist is truly a dream--one I could not have achieved without your encouragement and feedback.

Writing *Concealed in the Shadows*, my debut novel, was very fulfilling. Between the day the premise came to me and the day I finally typed the opening line, the plot and characters had developed so much to my liking that I simply had to bring this story to fruition.

New characters, worlds, story lines, and twists introduce themselves to me daily. I foresee a life of storytelling, and I invite you to accompany me on the journey.

About the Author

Gabrielle Arrowsmith grew up in the small town of Ham Lake, MN. As a child, she could often be found filling a diary or notebook with thoughts, poems, stories, and scripts. She began to believe in the worth of her writing during a high school language and literature course which both celebrated and challenged her craft.

After graduating summa cum laude from the College of St. Scholastica in Duluth, MN, Gabrielle began teaching. When she is not at her primary workplace, a children's hospital, or substitute teaching, she pursues her passion for storytelling through both writing and on-camera acting.
