Everything I've Never Had By Lynetta Halat

Celeste Hebert has always appeared to have it all, but there are many things she's never had, been forbidden from having. One night. One song. One kiss. The perfect trifecta to unleash the floodgates of a forbidden attraction between the widow and her husband's bad boy cousin, Adrian. Celeste endeavors to rebury the feelings that surface after this one night since her powerful family despises him. Kindred spirits, best of friends they attempt to douse their attraction; however, Adrian always seems to know exactly how to push her buttons and may prove too much to resist. Having defied his family by making his way on his own terms, Adrian struggles to regain their acceptance. When he meets his cousin's wife and wants her for his own, he feels he's finally lived down to the title—black sheep. But, when his cousin dies unexpectedly, Adrian fights his attraction and swears to honor them both by helping her raise her boys. Finding himself enveloped in a cocoon of love and acceptance, Adrian knows it's more than just physical attraction. However, unforeseen events threaten to destroy those he now holds dear and his newfound peace. Will the ties that bind them be their undoing?

Editorial Review

About the Author

Since the dawn of time, Lynetta Halat has lived to read and has written innumerable stories and plays. A lover of good books, bad boys, and kickass tunes, she'd always dreamt of penning books that people could connect with and remember. She also has a secret penchant for wringing the emotions out of unsuspecting readers. She collects reader's tears in much the same way that wine connoisseurs collect their favorite vintage. Her first novel, *Every Rose*, was the perfect catalyst to launch her into the world of publishing, effectively burrowing her way into the hearts and minds of readers throughout the world. She has followed that up with an adult romance in *Everything I've Never Had*. Her love of the English language prompted her to pursue a Master's degree in English from Old Dominion University in Virginia, where she also minored in snark and interpretive dance. She lives somewhere on the Mississippi Gulf Coast with her adorable husband, two amazing sons, and two loveable dogs. When she's not writing riveting storylines, she likes to focus on her macramé art and her scouring of eBay, where she buys locks of hair from her favorite rock stars, most especially Bret Michaels and Dave Grohl.

Users Review

From reader reviews:

Janet Steele:

In this 21st centuries, people become competitive in every single way. By being competitive currently, people have do something to make all of them survives, being in the middle of often the crowded place and notice simply by surrounding. One thing that oftentimes many people have underestimated this for a while is reading. Yeah, by reading a e-book your ability to survive raise then having chance to stay than other is high. For yourself who want to start reading any book, we give you this specific *Everything I've Never Had* book as starter and daily reading publication. Why, because this book is more than just a book.

Elliott Preciado:
