**Hard Body Rock (Rockstar Romance) (The Body Rock Series Book 1)** By Nora Flite

**From USA Today Bestselling Author Nora Flite**

**She thought she was stepping into fame:**

Meeting Drezden Halifax should have been a dream. But dreams are supposed to be sweet, fragile things that whisk you away. Not monsters crafted from hard fingers, gritty vocal cords and a voice so powerful it could tear my guts right out.

Maybe my heart, too.

Becoming the guitarist for Four and a Half Headstones was everything I needed. Too bad the band's lead singer is doing his best to ruin everything I am.

**He thought she would solve his troubles:**

Lola Cooper, god damn Lola Cooper. She was the perfect guitarist, fingers that could summon a sweet song or punch a chord. She's supposed to save my band, make us come out of this tour in one piece...

But I just want to tear HER to pieces.

No one should make me feel this way. One look at her, one smell, and I knew I'd have to have her. She does things to me that scare the shit out of me. Make me want to slam her on a wall and listen to her cries: eager or fearful, it doesn't matter.

I'm a monster...  
And I don't even care.

*Genre: New Adult Rockstar Romance*

*This is the first installment of the Body Rock Series*

*25,000 words*
