**Quick Selection Guide to Chemical Protective Clothing** By Krister Forsberg, Ann Van den Borre, Norman Henry III, James P. Zeigler

*Quick Selection Guide to Chemical Protective Clothing* provides the reader with the latest information on Selection, Care and Use of Chemical Protective garments and gloves. Topics in the widely-used reference guide include Selection and Use of Chemical Protective Clothing, Chemical Index, Selection Recommendations, Glossary, Standards for Chemical Protective Clothing, Manufactures of Chemical Protective Clothing and European requirements for chemical resistant gloves.

The key feature of the book is the color-coded selection recommendations. The red, yellow or green indications are highly appreciated by the users. This sixth edition of the *Quick Selection Guide to Chemical Protective Clothing* has been updated, to include approximately 1,000 chemicals/chemical brands or mixture of chemicals more than twice the information provided in the original edition. The performance of 9 generic materials and 32 proprietary barriers are compared against the 21 standard test chemicals listed in ASTM F1001. The color-coded recommendations against the broader list of materials now contain 27 representative barrier materials.

This best selling pocket guide is the an essential field source for HazMat teams, spill responder, safety professionals, chemists and chemical engineers, industrial hygienists, supervisors, purchase agents, salespeople and other users of chemical protective clothing.

## **Editorial Review**

From the Inside Flap

**The Quick Selection process in this guide contains three steps.**

They are:

- Go to the Chemical Index in section III and find the chemical of interest. Ensure you are looking for the correct chemical by checking synonyms/CAS numbers. Also check the Risk Code to determine the hazard of the chemical.
- Use the Chemical Class Number in the Chemical Index to look up the chemical in the color-coded table—The Master Chemical Resistance Table in section IV.
- Go to the identified Chemical Class Number in the color-coded table to find the chemical of interest. Select the barrier material that best protects the users against exposure to the chemical.

From the Back Cover

## **THE PREMIER REFERENCE ON CHEMICAL PROTECTIVE CLOTHING**

The *Sixth Edition* of the *Quick Selection Guide to Chemical Protective Clothing* has been updated to include approximately 1,000 chemicals/chemical brands or mixture of chemicals.

The color-coded recommendations now contain 27 representative barrier materials. We believe these barrier listings include a wide range of gloves and suits on the market. To reflect today's requirements and standards, several sections of the guide have been revised significantly.

This bestselling pocket guide is an essential field source for spill responders, safety professionals, chemists and chemical engineers, industrial hygienists, supervisors, purchase agents, and sales people/users of chemical protective clothing.

About the Author

**KRISTER FORSBERG** is an internationally recognized expert on protective clothing. He has been an active member of ASTM Committee F23 on Personal Protective Clothing and Equipment and convenor of EN 374—Chemical and micro-organism within CEN/TC162. **ANN VAN DEN BORRE** is currently active as Sr. Technical Manager at Ansell Healthcare, advising customers to find the best solution. She has been working in this Personal Protective Equipment sector for 15 years. With a Master of Engineering Sciences in Chemistry, Ann has specialized in chemical protective clothing materials and the mechanism of permeation breakthrough. **NORMAN HENRY III** is a retired DuPont Senior Research Chemist and Certified Industrial Hygienist (CIH). He was active in ASTM Committee F23 on Personal Protective Clothing and Equipment during the development of the permeation test method F-739, is a member of AIHA's Protective Clothing and Equipment committee, and has expertise in protective clothing testing and evaluation. **JAMES P. ZEIGLER** spent 19 years working on chemical protective apparel materials at DuPont before retiring in 2011. Dr. Zeigler was co-inventor of many of DuPont's chemical protective apparel fabrics. He is currently chairman of the ASTM chemical protective clothing sub-committee and a 21-year member of the NFPA

## **Users Review**

### **From reader reviews:**

#### **Clair Lemanski:**

Reading a guide tends to be new life style in this era globalization. With studying you can get a lot of information that could give you benefit in your life. Having book everyone in this world may share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their reader with their story as well as their experience. Not only the story that share in the textbooks. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors nowadays always try to improve their expertise in writing, they also doing some analysis before they write for their book. One of them is this Quick Selection Guide to Chemical Protective Clothing.

#### **Gary Tawney:**

This Quick Selection Guide to Chemical Protective Clothing is great publication for you because the content that is certainly full of information for you who else always deal with world and still have to make decision every minute. This book reveal it info accurately using great organize word or we can declare no rambling sentences inside. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but tough core information with lovely delivering sentences. Having Quick Selection Guide to Chemical Protective Clothing in your hand like having the world in your arm, data in it is not ridiculous just one. We can say that no reserve that offer you world throughout ten or fifteen moment right but this reserve already do that. So , this really is good reading book. Hey Mr. and Mrs. active do you still doubt this?

#### **Carmel Smith:**

Do you like reading a book? Confuse to looking for your chosen book? Or your book had been rare? Why so many issue for the book? But almost any people feel that they enjoy to get reading. Some people likes examining, not only science book and also novel and Quick Selection Guide to Chemical Protective Clothing or others sources were given expertise for you. After you know how the fantastic a book, you feel want to read more and more. Science book was created for teacher as well as students especially. Those publications are helping them to include their knowledge. In different case, beside science e-book, any other book likes Quick Selection Guide to Chemical Protective Clothing to make your spare time much more colorful. Many types of book like this one.

#### **Zachary Connors:**
