Editorial Review

Review

"For the keen enthusiast there is one book that is regarded world wide as the bible of tarantula keeping and that book is The Tarantula Keeper's Guideâ€The book is in reality a keeper's manual as well as being a very enjoyable read for the enthusiast. It will immediately become your first port of call for reference purposes. It is suitable for beginner through to advanced enthusiastsâ€I cannot recommend this book too highly. Every tarantula keeper should have a copy in their library. If you only buy one book on tarantulas this should be that book. Run, don't walk to your computer and order a copy now."
