**The Prosperity Secret** By Markus Rothkranz, Marshall Sylver, Richard Helfrich

This book can literally change your life forever. Prosperity is your birthright. You are not supposed to be unhappy and struggling. One of the biggest mistakes people make is they go after money and end up being slaves to it, doing things they don't enjoy. Money is not a goal, but just a side effect of doing what you enjoy and are good at. Yet most people don't have the courage to follow their inner voice. This book is designed to give you that strength. Your time has come.

Almost all rich people have the same things in common. This book outlines those traits in an easy to understand everyday language that can change your life right now, today. Don't wait one more minute to be where you should be. Stop waiting for others to help you. The only one who will set you free is YOU.

"Rich" does not just mean money, it means the freedom to be yourself and truly live your dreams. This book will blow away all your misconceptions on wealth. It has nothing to do with talent, skill, luck, who you know, or even the economy. The richest people in the world become rich during hard times and they are no smarter or better than you. They simply think differently, and once you learn how to see the world through their eyes, you will be one of them. Simply saying positive affirmations isn't going to do much- you have to take action and here are the exact steps given to you by actual millionaires.

If you are not where you want to be in life, then you **MUST** read this book! What you hold in your hands has the power to change your life forever.

Author Markus Rothkranz went from zero to getting 2.5 million dollars to live his dream of making a motion picture in less time than it will take you to read this book. You have the same power right now. His world-renowned book "Heal Yourself 101" explains how the answer to any health problem is almost always simple, because the truth is simple. The same goes for wealth and prosperity. The reason most people aren't healthy is the same reason most people aren't wealthy. And the answer is simpler than you can imagine.

This book will literally walk you through a complete reprogramming of how you think. You were given your dreams for a reason- to help others... and to do that, you need money. The world needs you. It is your duty to be wealthy and prosperous so the great healing can take place. Get it out of your head once and

for all that money is bad. You are not supposed to go after money- it is supposed to come to you!

Your life is about to change. Forever.
