The Red Winter: Book Five of The Tapestry By Henry H. Neff

An inventive and action-packed mix of fantasy, science fiction, and mythology, all in a realistic contemporary setting.

Rowan has won a battle, but not the war. With proper allies, Rowan's armies could storm the demon stronghold, capture its ruler, and end the reign of demonkind. But while nations clash, a greater struggle lies elsewhere. In his desperate pursuit of Astaroth, Elias Bram scours the world for clues to the fiend's true origins, identity, and purpose. His horrifying discoveries hint that not only is humanity at risk, but the earth itself. Its fate may depend upon three children. With their unmatched skills, it's up to Max McDaniels, David Menlo, and little Mina to tip the balance!

In the Tapestry's final volume, Henry H. Neff concludes an unforgettable series in which magic can live, gods can die, and the highest stakes require the greatest sacrifice.
