The Secret Me: A Questionnaire Journal 2 By Shane Windham

One of the best-selling guided journal series of all time returns with even more of what fans have come to know and love! This, the 9th entry in The Secret Me series, turns its focus back toward what made the very first Questionnaire Journal so successful.

Improving upon the original formula, volume two takes users on an extensive journey; packed with completely new material. Even if you've experienced all other journals by the author, each and every page of this diary-like book has something original to offer. It is also a great way to preview what the rest of the series holds in store, for those of you who are unsure of where to begin or go next.

While not recommended for young children, The Secret Me: A Questionnaire Journal 2 is easily accessible by almost anyone; making it a no-brainer as a gift for any occasion. It is something to be shared by couples, families, and groups of close friends as well.

This outing aims to give journal lovers everywhere an even deeper and more satisfying look within themselves than the first volume managed to. Whether you want to contemplate improbable scenarios, share your unique opinions, document the way other people see who you are, or simply check boxes; this book delivers all of that, and much more!

All entries in The Secret Me series are currently available for sale on Amazon, and include:

Editorial Review

From the Author

Please note that this journal is not designed for use by children, or adults uncomfortable with moral quandaries. It poses a number of questions aimed at highlighting your deepest values by forcing a choice between two inherently problematic propositions. There are also instances of prompts designed to examine your ethical limits with regard to the acquisition of money. Therefore it is recommended that you not purchase this journal if you are easily offended by candid inquiries.
