Islamic Art of War By Dr. Bikram Lamba

This is an analysis of Islamic Art of War - an interpretation of Islamic desire to conquer and their attitude to terrorism. The book deals with the the concept of deception as contained in the holy books of the Islam; and the way it has been practiced through the ages. The thesis is supported by quotations from the Quran it self as well as from the writings of the Muslim scholars. The vision of Islam as a religion of peace is debunked by this revealing and penetrating study that is based on the Muslim writings. The actions of Mohammed himself have been analysed apart from the examination of the scriptures to show the perfidy and terrorism practiced and preached.
