The Bible Study Handbook: A Comprehensive Guide to an Essential Practice By Lindsay Olesberg

There are Bibles literally all over the place. You can find them in the drawer of the end table in your hotel room, under the pews at your local church, on the shelves of your local library or bookstore, posted in full and in multiple versions on any number of websites. You can find them in every corner of the earth, even (if you look carefully enough) in places where they're forbidden. So there's no trouble getting hold of a Bible. But once you have one in your hands . . . now what? The Scriptures tell us that the Word of God is living and active; what happens to us as we interact with it? In *The Bible Study Handbook* Lindsay Olesberg lays a foundation for why we read the Bible, what attitudes and expectations are most helpful as we enter into serious Bible study, and what methods and practices yield the most fruit. From foundational insights to best practices and hands-on exercises, you will find everything you need in this book to cultivate your curiosity, hone your attention and mine the applicabilities of whatever passage you find yourself in. And you'll be reminded of the insights, encouragement and even transformation waiting for people who commit to studying the Scriptures well together. A comprehensive guide for Bible students of every level of experience and spiritual maturity.

Editorial Review

Review

"Hand this out with the Bible after alter calls (if you have them). Olesberg will rescue you with fresh perspective, imaginative engagement with God and his Word, and creative methodology for inductive Bible study." (Worship Leader Magazine, May 2013)

"I don't know what the solution is to getting kids to read Scripture daily and deeply, but this book will challenge you as it challenged me to be an example to them in word and deed." (Paul Turner, YouthWorker Journal, March/April 2013)

"*The Bible Study Handbook* is a welcome addition to the field of inductive bible study. As an introduction to the practice it is accessible, insightful and eminently practical." (Sean Gladding, author of *The Story of God, the Story of Us*)

"This book is like a key that unlocks life-changing ways for studying the Bible on your own. By the time you've finished, you'll want to jump out of bed and into the Bible every morning! The Lord is calling America to a Bible-reading revolution. *The Bible Study Handbook* will play a part in it." (Hal Seed, founding pastor of New Song Community Church and author of *The Bible Questions*)

"From foundational insights to best practices and hands-on exercises, this resource provides everything you need to cultivate your curiosity, hone your attention, and mine the applicabilities of any passage. And you'll be reminded of the insights, encouragement, and transformation waiting for people who commit to studying the Scriptures." (Journal of Christian Nursing, July-September 2013)

"Olesberg includes often-humorous anecdotes to personalize the text and illustrate her points, along with charts, maps and graphs to explain her teaching. Hands-on exercises help make Scripture more meaningful." (Cindy Grabill, Church Libraries, Spring 2014)

"Olesberg's anecdotes and writing style make this a readable book. . . . And her tips for adapting the method to a group setting are invaluable. It's worth the money." (Church Libraries, Winter 2012-13)

About the Author

Lindsay Olesberg is the Scripture manager for the Urbana Student Missions Convention. She has overseen Bible study and exegesis at major evangelical gatherings throughout the world.

Users Review

From reader reviews:

Gina Melton:

Have you spare time for the day? What do you do when you have much more or little spare time? Yes, you can choose the suitable activity with regard to spend your time. Any person spent their own spare time to take a move, shopping, or went to the particular Mall. How about open or read a book entitled *The Bible Study Handbook: A Comprehensive Guide to an Essential Practice*? Maybe it is to be best activity for you.

You know beside you can spend your time using your favorite's book, you can better than before. Do you agree with the opinion or you have different opinion?

Ron Lauer:

What do you about book? It is not important along? Or just adding material when you require something to explain what yours problem? How about your extra time? Or are you busy person? If you don't have spare time to accomplish others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? Everybody has many questions above. They should answer that question due to the fact just their can do that. It said that about publication. Book is familiar in each person. Yes, it is suitable. Because start from on jardín de infancia until university need this specific The Bible Study Handbook: A Comprehensive Guide to an Essential Practice to read.

Mack Washburn:

Information is provisions for anyone to get better life, information currently can get by anyone on everywhere. The information can be a knowledge or any news even an issue. What people must be consider when those information which is inside former life are challenging be find than now could be taking seriously which one is suitable to believe or which one typically the resource are convinced. If you get the unstable resource then you get it as your main information there will be huge disadvantage for you. All of those possibilities will not happen with you if you take The Bible Study Handbook: A Comprehensive Guide to an Essential Practice as your daily resource information.

Tammy Medina:

Playing with family in the park, coming to see the sea world or hanging out with buddies is thing that usually you will have done when you have spare time, subsequently why you don't try factor that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love The Bible Study Handbook: A Comprehensive Guide to an Essential Practice, you are able to enjoy both. It is very good combination right, you still need to miss it? What kind of hang type is it? Oh occur its mind hangout guys. What? Still don't have it, oh come on its identified as reading friends.
