The Master and His Soul Seer Pet - A Vampire College Romance Boxed Set
By Marian Tee

This is a love story between an innocent girl and a jaded man...a pet and her Master...and a soul seer who has yet to realize she's meant to save the world...and a powerful vampire who has yet to understand his heart still beats.

Set in a mysterious college and a supernatural world where immortal Masters have human pets to cherish and own, *The Master and His Soul Seer Boxed Set* offers readers an intensely seductive romance between Zari, an 18-year-old human girl, and Alexandru, the powerful hunter she's indebted to.

In Ensnared, Alexandru, a legendary hunter of rogue immortals, seeks to rescue soul seer Zari from captivity. Or at least that was the plan. For hundreds of years, he's never let anyone close, but there's something about the way the young human girl looks at him that makes Alexandru hesitate to leave her alone.

In Beholden, Zari is a new student in La Scala Legaturia, a.k.a The School of Bonds. It's where girls learn the art of becoming a pet to their Masters – but what's the point of attending classes when her Master, the elusive and mysterious Alexandru, seems hell bent on throwing her away?

In Reviled, Zari plays truant to take her mind off her first taste of heartbreak. All she wants is distraction from the fact that her Master loves someone else, but she gets more than she bargains for when she has a vision of a demon trying to kill her.

In Unclaimed, Zari faces the greatest battle of her life. She's part of an unwanted love triangle, and she has a feeling it's his first love and fellow legendary hunter *Katerina* that her Master Alexandru will choose.

If you're a fan of Twilight and A Shade of Vampire, then you'll want to read this series, too!

Warning: Expect scorching-hot sex scenes. For mature readers only!
