Editorial Review

Review

Previous edition praise: *The Nonprofit Almanac* fills a critical need by bringing together in one place essential and reliable data on the scope of the third sector. Moreover, the information is presented clearly and accessibly. Unlike other reference books that sit pristinely on the shelf, my copy of the previous edition is well worn and full of notes. (Lawrence T. McGill, Foundation Center)

Previous edition praise: A copy of *The Nonprofit Almanac* should be on the bookshelf—or, even better, at the right hand—of anyone seriously interested in civil society in the United States. (Harvey P. Dale, New York University)
