## The Vampire's House of Pleasure: Part One By Rose Wynters

### A woman with nothing left to lose...

Violet was fascinated with the legends and lore of New Orleans. She was so fascinated she left everything behind to run a B&B in the French Quarter. But she never imagined that vampires were really real... not until the night she finds herself swept back in time to 1797.

### He's known as the Duke of Pleasure...

Gabriel Marchand has been a vampire for hundreds of years, and he's quite content with his life as a creature of the night. *Until her*. When the red-haired beauty shows up in his elegant courtyard, dirty and disheveled, Gabriel can hardly believe it. Violet has tormented him for weeks in his dreams with her lush curves and lilting voice. Gabriel is convinced she has used Voodoo to curse him to want her, and he's determined to find out why. Violet might have incited his dark passion, but he won't be controlled by black magic.

### Because nobody knows the darkness better than a vampire.

*This book is the first installment in a time travel/historical romance serialized series! It contains about 16,500 words. Make sure to see The Vampire's House of Pleasure - Part Two available exclusively on Amazon Kindle and Kindle Unlimited! Release Date: 4/14/15*
