The Zombie Who Had a Name By James Aquilone

Everything you believe about zombies is wrong...

The dead have existed for as long as the living, give or take a few years. But what good has that done them? In the zombie apocalypse, the walking dead get no respect. No Love. No names. They are anonymous monsters who are hunted down and exterminated. "The Zombie Who Had a Name" is the bitter-sweet short story of an unfortunate zombie who goes on a soul-searching journey in a world plagued by humans.

"The Zombie Who Had a Name" was among the winners of Bards and Sages Quarterly's 2013 Readers Choice Awards.

BONUS STORY: Also included is "She Will Be Home for Christmas," a flash fiction tale about a mother of two who never misses the holiday despite the fact that she's long dead.
