"By turns humorous and heartbreaking, *Best Kind Of Broken* has become one of my favorites!" --- **CORA CARMACK**, *New York Times* bestselling author

### SOMETIMES MOVING ON MEANS MOVING IN

Pixie Marshall wishes every day she could turn back time and fix the past. But she can't. And the damage is done. She's hoping that a summer of free room and board working with her aunt at the Willow Inn will help her forget. Except there's a problem: the resident handyman is none other than Levi Andrews. The handsome quarterback was once her friend-and maybe more-until everything changed in a life-shattering instant. She was hoping to avoid him, possibly forever. Now he's right down the hall and stirring up feelings Pixie thought she'd long buried . . .

Levi can't believe he's living with the one person who holds all his painful memories. More than anything he wants to make things right, but a simple "sorry" won't suffice-not when the tragedy that scarred them was his fault. Levi knows Pixie's better off without him, but every part of him screams to touch her, protect her, wrap her in his arms, and kiss away the pain. Yet even though she's so close, Pixie's heart seems more unreachable than ever. Seeing those stunning green eyes again has made one thing perfectly clear-he can't live without her.

#### About the Author

Chelsea lives in Phoenix, Arizona, where she spends most of her time writing stories, painting murals, and avoiding housework at all costs. She's ridiculously bad at doing dishes and claims to be allergic to laundry. Her obsessions include: superheroes, coffee, sleeping-in, and crazy socks. She lives with her husband and two children, who graciously tolerate her inability to resist teenage drama on TV and her complete lack of skill in the kitchen.
