Cheetah By Luke Hunter

Esteemed for its speed and athleticism, admired for its grace and beauty, coveted for its hunting prowess, the cheetah has nonetheless been harrassed and hounded to the point of extinction. Author Luke Hunter, a specialist on African carnivores, looks into the history, evolution, behaviour and day-to-day survival of one of the most fascinating of the big cats. He discusses the ancestry of the cheetah, its hunting strategies, reproduction, social behaviour and status throughout African and Iran - the last remaining pocket of the species in Asia. Hunter also focuses on the tenuous future of the cheetah, its decreasing habitat and declining numbers, and deals with the immediate and long-term conservation issues facing the species. His authoritative text highlights the latest research on cheetahs, dispelling the myths and providing a comprehensive overview of the cheetah in the wild. Throughout the book, his first-hand field observations supplement data on the latest ecological discoveries from cheetah researchers across Africa. Powerful, full-colour photographs by Dave Hamman make this book a visual feast and reveal a world that is both intensely private and highly dramatic. Hamman's portrayal of the many modes and activities of this elusive animal presents a sumptuous gallery of photographs, while at the same time serving to broaden our knowledge - and help ensure the survival - of this remarkable and beautiful cat.
