"He loved making her squirm from his slightest movements, casting forbidden thrills through her petite little body."

After someone important in Chrissy's life dies, she decides to move back home to live with the **man of the house**. For awhile now a **secret source** has been revealing things about him that a good girl like Chrissy shouldn't know -- private things, *intimate* things. Of course, some of them she *did* already know thanks to the hole in her floor growing up. From this vantage point is where she would regularly watch the man of the house **explode** in his woman's mouth, and witnessing it always drove Chrissy **insane** for a taste.

Now that she's home again, Chrissy will **stop at nothing** to convince **her protector** to fill not just her mouth, but *other holes*, too...

Check the LOOK INSIDE for a taste of what you want... then hit 1-click and get what you *deserve*.

(previously titled *His Tasty, Tasty Banana*)
