Selected Poems of Amy Lowell From Rutgers University Press

Amy Lowell (1874–1925), American poet and critic, was one of the most influential and best-known writers of her era. Within a thirteen-year period, she produced six volumes of poetry, two volumes of criticism, a two-volume biography of John Keats, and countless articles and reviews that appeared in many popular periodicals. As a herald of the New Poetry, Lowell saw herself and her kind of work as a part of a newly forged, diverse, American people that registered its consciousness in different tonalities but all in a native idiom. She helped build the road leading to the later works of Allen Ginsberg, May Sarton, Sylvia Plath, and beyond. Except for the few poems that invariably appear in American literature anthologies, most of her writings are out of print. This will be the first volume of her work to appear in decades, and the depth, range, and surprising sensuality of her poems will be a revelation.

The poetry is organized according to Lowell's characteristic forms, from traditional to experimental. In each section the works appear in chronological order. Section one contains sonnets and other traditional verse forms. The next section covers her translations and adaptations of Chinese and Japanese poetry, whereby she beautifully renders the spirit of these works. Also included here are several of Lowell's own Asian-influenced poems. Lowell's free, or cadenced verse appears in the third part. The last section provides samples of Lowell's polyphonic prose, an ambitious and vigorous art form that employs all of the resources of poetry.

The release of *The Selected Poems of Amy Lowell* will be a major event for readers who have not been able to find a representative sampling of work from this vigorous, courageous poet who gave voice to an erotic, thoroughly American sensibility.

Editorial Review

Review

I cannot imagine a finer introduction to Lowell's poetry for both the general reader and scholar -- *Camille Roman*, coeditor of *The New Anthology of American Poetry*

From the Back Cover

Amy Lowell (1874-1925) was one of the most influential and best-known writers of her era. As a herald of the New Poetry, she saw herself and her writing as a part of a newly forged American people registering its consciousness in different tonalities, but all in a native idiom. Except for the few poems that appear in American literature anthologies, most of her work has been long out of print.

The release of *Selected Poems of Amy Lowell* will be a major event for readers who have not been able to find a representative sampling of work from this vigorous poet who gave voice to an erotic, thoroughly American sensibility.
