Constitutional Law for a Changing America: Institutional Powers and Constraints, 8th Edition By Lee Epstein, Thomas G. Walker

Known for attentive revising and streamlining, the authors continue to strengthen the distinctive features of their best-selling text-its currency, scholarship, and the inclusion of both concurring and dissenting opinions-while closely following the pressing issues the Roberts Court has taken up in recent years. Author commentary preceding excerpted opinions includes: the case Facts and key Arguments made by the attorneys on both sides; Aftermath boxes that reveal what happened to litigants after a ruling; Global Perspective boxes that explain how U.S. case law compares to other nations; and NEW to these editions, Annotated Readings that give direction about where to go for more information.

Editorial Review

Review

"The design and focus of the book are terrific. I use several of the supplemental cases from the resource center in every unit; they are very helpful." -- Steven B. Lichtman 20121220 "Overall, I like the Epstein and Walker book very much. In particular, I like the cases included as well as the specific excerpts. Additionally, I like the online bank of cases because there are some that I prefer to cover in class. Having the 'Facts' separated from the 'Arguments' is very appreciated and allowed for a more focused discussion during class and students were able to follow along more easily." -- Kirk Randazzo 20121220 "Students find the text lively and very helpful. In fact, some had been relying on Internet downloads until they realized how much essential background material they were forfeiting by not using the text. They find the text, moreover, easy to read-anything but ponderous (which many competing casebooks are)." -- Elizabeth Hull 20121220 "The strengths of the Epstein/Walker text include currency with online updates of most recent post-publication decisions; significant political analysis and editorial commentary to supplement the court's legal opinions; summary tables of legal doctrine; and boxed comparative information about constitutional law and high courts in other countries. I also find the 'Facts' section critical as it assists students in case analysis that requires comparisons when deciding whether a precedent is controlling or can be distinguished. The 'Arguments' section helps students understand the need to address both sides when answering test problems or writing research papers." -- Howard Tolley 20121220 "Students really like the book and have made spontaneous comments in their course evaluations about how much they enjoy the text. The text has several strengths: great use of visuals and graphics; case discussion is quite good at placing cases in historical context; and the boxes with personal interest pieces are also very helpful." --Liane C. Kosaki, PhD 20121220

About the Author

Lee Epstein (PhD, Emory University) is Provost Professor of Law and Political Science and Rader Family Trustee Chair in Law at the University of Southern California. She is also a fellow of the American Academy of Arts and Sciences and the American Academy of Political and Social Science. She is the author, coauthor and/or editor of fifteen books, including *The Supreme Court Compendium: Data, Decisions, and Developments*, Fifth Edition, with Jeffrey A. Segal, Harold J. Spaeth, and Thomas G. Walker; *Courts, Judges and Politics*, Sixth Edition, with Walter F. Murphy, C. Herman Pritchett, and Jack Knight; *The Choices Justices Make* with Jack Knight, which won the C. Herman Pritchett Award for the best book on law and courts; and *Advice and Consent: The Politics of Judicial Appointments* with Jeffrey A. Segal. Her most recent book is *The Behavior of Federal Judges* with William M. Landes and Richard A. Posner. Thomas G. Walker (PhD, University of Kentucky) is Goodrich C. White Professor of Political Science at Emory University where he has won several teaching awards for his courses on constitutional law and the judicial process. His book, *A Court Divided*, written with Deborah J. Barrow, won the prestigious V.O. Key Award for the best book on southern politics. He is the coauthor of *The Supreme Court Compendium: Data, Decisions, and Developments*, Fifth Edition with Lee Epstein, Jeffrey A. Segal, and Harold J. Spaeth; and *Eligible for Execution*.

Users Review

From reader reviews:
