I Am Princess X By Cherie Priest

Best friends, big fans, a mysterious webcomic, and a long-lost girl collide in this riveting novel, perfect for fans of both Cory Doctorow and Sarah Dessen, & illustrated throughout with comics.

Once upon a time, two best friends created a princess together. Libby drew the pictures, May wrote the tales, and their heroine, Princess X, slayed all the dragons and scaled all the mountains their imaginations could conjure.

Once upon a few years later, Libby was in the car with her mom, driving across the Ballard Bridge on a rainy night. When the car went over the side, Libby passed away, and Princess X died with her.

Once upon a now: May is sixteen and lonely, wandering the streets of Seattle, when she sees a sticker slapped in a corner window.

Princess X?

When May looks around, she sees the Princess everywhere: Stickers. Patches. Graffiti. There's an entire underground culture, focused around a webcomic at IAmPrincessX.com. The more May explores the webcomic, the more she sees disturbing similarities between Libby's story and Princess X online. And that means that only one person could have started this phenomenon---her best friend, Libby, who lives.

Editorial Review

Users Review

From reader reviews:

Willie Burroughs:

Nowadays reading books become more and more than want or need but also be a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge your information inside the book that will improve your knowledge and information. The details you get based on what kind of publication you read, if you want drive more knowledge just go with education books but if you want truly feel happy read one together with theme for entertaining for instance comic or novel. The I Am Princess X is kind of reserve which is giving the reader capricious experience.

Michael Counts:

Reading a guide can be one of a lot of activity that everyone in the world really likes. Do you like reading book and so. There are a lot of reasons why people like it. First reading a guide will give you a lot of new data. When you read a book you will get new information due to the fact book is one of many ways to share the information or their idea. Second, reading a book will make you actually more imaginative. When you reading a book especially fictional works book the author will bring you to imagine the story how the characters do it anything. Third, you can share your knowledge to others. When you read this I Am Princess X, it is possible to tells your family, friends and also soon about yours publication. Your knowledge can inspire the mediocre, make them reading a e-book.

Crystal Freeman:

The reason why? Because this I Am Princess X is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will shock you with the secret this inside. Reading this book close to it was fantastic author who have write the book in such amazing way makes the content within easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of gains than the other book include such as help improving your ability and your critical thinking approach. So , still want to hesitate having that book? If I had been you I will go to the reserve store hurriedly.

Amanda Kline:

Reading can called head hangout, why? Because when you find yourself reading a book specifically book entitled I Am Princess X the mind will drift away trough every dimension, wandering in every single aspect that maybe not known for but surely can become your mind friends. Imaging each word written in a reserve then become one web form conclusion and explanation this maybe you never get just before. The I Am

Princess X giving you an additional experience more than blown away your thoughts but also giving you useful info for your better life on this era. So now let us teach you the relaxing pattern is your body and mind will probably be pleased when you are finished reading through it, like winning a casino game. Do you want to try this extraordinary wasting spare time activity?
