Shadow and Light, Vol. 4 (Shadow & Light) By Parris Quinn

Quinn brings his special blend of high art aesthetic and unadulterated raunch he has become famous for to its most dramatic climax yet! "I've often been amazed at just how nasty certain otherwise dignified ladies can be, given the right circumstances and inspiration, when they are in charge," says Quinn. To prove this, he lets women friends unabashedly narrate their own accounts of outrageous sexual adventures in which they have orchestrated all of the action. Two of the stories are steamy depictions of female dominance and male submission on a level rarely, if ever, dealt with in the offerings of today's world of erotic film and literature. In the other stories, a respectable married woman takes a big new risk and discovers an insatiable desire for secret encounters and multiple partners; and watch what a young woman comes up with when she discovers the power she has over an older black man after a not-so "chance" encounter.
