## The Frog Princess By Rosalind Allchin

Frog has always imagined how wonderful life would be --- if only she were a princess. Now her wish is about to come true. The Prince has lost his golf ball in the palace pond and has promised anything to the one who can find it!

But being a princess is not at all what Frog expects. Frog must make public appearances on the royal balcony, at a ship launch and at a jousting tournament -- - and all this before lunch! Tired, confused and utterly famished, Frog hopes to find food at the evening ball. When she discovers, with horror, what delicacies are being served, she decides that the life of a princess is not for her. With frogs' legs a-flying (both hers and those on the platters!), Frog makes a quick getaway and returns to her simple life.

## **Editorial Review**

From School Library Journal

Gr 1-3-This tongue-in-cheek take on the Grimms' story turns the tale upside down with a daydreaming female frog that longs for a princess's life. Her dream becomes reality when she rescues a prince's golf ball from the castle pond. True to form, he promises anything for its return and must honor the frog's croaked request, "This ball for your hand in marriage." However, he is fairly clever as well as handsome and convinces the frog to try out royal life "for a day and leave the kiss until midnight." A series of misunderstandings involving courtly etiquette leave the poor princess-for-a-day frazzled and disappointed. Finally, a tray of frogs' legs served at the evening ball is beyond endurance, and it is no surprise when she returns to a frog's world via the nearest open window. While all of the elements of a delightful spoof are available, the story fails to convince. For example, when readers first meet the frog, she is no bigger than a lily pad. Yet, once she encounters the prince and emerges from the water, she is inexplicably as tall as he is. While all of her mistakes in proper behavior are easily explained, they are eventually contrived and tiresome. No frog capable of convincing a prince to marry her could be this naive. Richly hued watercolor illustrations try their best, but they just don't live up to the promise offered by the inviting cover illustration. Ultimately, readers will be as disappointed as the frog.

### **From reader reviews:**

#### **Frederick Warren:**

Throughout other case, little persons like to read book The Frog Princess. You can choose the best book if you'd prefer reading a book. Providing we know about how is important a new book The Frog Princess. You can add information and of course you can around the world by the book. Absolutely right, since from book you can realize everything! From your country until eventually foreign or abroad you may be known. About simple factor until wonderful thing you are able to know that. In this era, we can open a book or maybe searching by internet gadget. It is called e-book. You should use it when you feel uninterested to go to the library. Let's study.

**Dexter Forsyth:**

The reason why? Because this The Frog Princess is an unordinary book that the inside of the guide waiting for you to snap it but latter it will surprise you with the secret the idea inside. Reading this book beside it was fantastic author who write the book in such incredible way makes the content on the inside easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This excellent book will give you a lot of rewards than the other book have got such as help improving your ability and your critical thinking means. So , still want to postpone having that book? If I had been you I will go to the guide store hurriedly.

**Helen Williams:**

Playing with family inside a park, coming to see the ocean world or hanging out with pals is thing that usually you may have done when you have spare time, and then why you don't try point that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love The Frog Princess, you could enjoy both. It is excellent combination right, you still desire to miss it? What kind of hang type is it? Oh can happen its mind hangout fellas. What? Still don't have it, oh come on its called reading friends.

**Derek Clancy:**

Your reading sixth sense will not betray you, why because this The Frog Princess e-book written by well-known writer we are excited for well how to make book which can be understand by anyone who read the book. Written within good manner for you, dripping every ideas and publishing skill only for eliminate your current hunger then you still skepticism The Frog Princess as good book not simply by the cover but also from the content. This is one e-book that can break don't evaluate book by its include, so do you still needing a different sixth sense to pick this!? Oh come on your examining sixth sense already told you so why you have to listening to a different sixth sense.
