Breakable (Contours of the Heart Book 2) By Tammara Webber

*He was lost and alone. Then he found her.
And the future seemed more fragile than ever.*

As a child, Landon Lucas Maxfield believed his life was perfect and looked forward to a future filled with promise -- until tragedy tore his family apart and made him doubt everything he ever believed.

All he wanted was to leave the past behind. When he met Jacqueline Wallace, his desire to be everything she needed came so easy...

As easy as it could be for a man who learned that the soul is breakable and that everything you hoped for could be ripped away in a heartbeat.

About the Author

Tammara Webber, *New York Times* bestselling author of *Easy*, is a hopeful romantic who adores novels with happy endings, because there are enough sad endings in real life. Before writing full time, she was an undergraduate academic advisor, economics tutor, planetarium office manager, radiology call center representative, and the palest person to ever work at a tanning salon. She married her high school sweetheart, and is Mom to three adult kids and four very immature cats.
