Chastity and Cuckold Training By Maxine Muse

Congratulations on your decision to accept chastity into your life. Male chastity is a growing trend that has helped countless couples have happier, more fulfilling relationships. For all the men reading this book, I want to accept you into my family of subs, slaves, and cuckolds. I hope that my advice will assist any women reading this book to be more caring, and as it may turn out, cruel, lovers. This book features practical advice for both men and women in setting up a chastity and cuckold relationship. I also relate a lot of my personal experiences as first a dabbler in the BDSM scene and then as a full-time dominatrix and mistress. It is my personal opinion that every man should be in chastity and that this trend will soon become mainstream. I have never met a man who didn't feel more happy and fulfilled after he accepted my domination.
