### Fall Line (Downhill Series) (Volume 1) By Tudor Robins

*Everything's forward.* Those are fifteen-year-old Chris Myers' words for the year. The next gate, the next race, his spot on the district ski team; they're all his for the taking. Except training is such hard work. And then there's Jenna – the very opposite of hard work – gorgeous, curvy, and into partying. Into Chris. Instead of moving forward, Chris is sliding back. Slower times, worse results, and his best friend, Tilly, drifting away. "The thing you want is right in front of you," Tilly said. Now Chris just has to figure out what that thing is – and how to get it – before it's too late. Fast-paced, fun, and intense, Fall Line is a refreshing read from start gate to finish line.
