Journey Beyond Words (Miracles Studies Book) By Brent A Haskell

JOURNEY BEYOND WORDS was given as a companion to A COURSE IN MIRACLES.

A COURSE IN MIRACLES has set in motion a tidal wave that continues to change the contours of all the spiritual shores on which it beats. And with its spread there arise new needs among them the need to truly experience the living reality of the Course.

The reader who enters these pages with a quiet and open mind will find himself transported to a new world of peace, freedom, and joy. For this is the world of A COURSE IN MIRACLES.

JOURNEY BEYOND WORDS brings a new and refreshing simplicity to many of the seemingly difficult concepts of the "Course," and will be extremely helpful to all students, advanced or novice, as well as to study groups, especially those lacking a facilitator who is well versed in the "Course." The material was received in auditory form in 1990 by one who had for five years humbly and openly submitted himself to the transformational wisdom of the "Course." The real author of this book refers to himself as Jeshua - the author of A COURSE IN MIRACLES. Most of all, JOURNEY BEYOND WORDS is the Jeshua-endowed guide to the study and application of the Course at the level of one's innermost sanctuary, where, in the presence of Truth, no guide or companion is needed. For none is higher or closer.
