The Truth About Your Future: The Money Guide You Need Now, Later, and Much Later By Ric Edelman

NEW YORK TIMES BESTSELLER

New York Times bestselling author and legendary investment guru Ric Edelman reveals his forward-thinking guide on how technology and science will reshape the way we save, invest, and plan for the future.

Technology and science are evolving at a blistering, almost incomprehensible pace.

The Human Genome Project took eleven years and \$2.7 billion dollars to complete. Today, it would take two days to finish, and cost less than getting a pizza delivered.

It's estimated that forty percent of the current Fortune 500 companies will no longer exist by 2025.

In 2005, half a billion devices were connected to the Internet. By 2030, that number will reach one trillion.

The traditional paradigms of how we live, learn, and invest are shifting under our feet. Ric Edelman has seen the future, and he explains how smart investors can adapt and thrive in today's changing marketplace. Using the same prophetic insight that has made him an iconic financial advisor, Edelman offers sound, practical investment advice through the lens of recent scientific and technological advancements. He illustrates how discoveries in robotics, nanotechnology, 3D printing, solar energy, biotechnology, and medicine will redefine our life expectancies, careers, and retirements. As we live and work longer, Edelman provides clear advice on how to recalibrate the way we save for college, invest during our careers, and plan for retirement.

The Truth About Your Future, featuring Edelman's proven advice and trademark humor, is a timely, must-have guide for anyone serious about successfully adapting to the ever-evolving financial landscape.

Editorial Review

Review

“This is the best book I have read on the subject of technology's effect on careers and finances. Edelman's book covers many important issues not addressed in other personal finance planning books. Plan to add it to your library.”—**Elliot Raphaelson, *The Chicago Tribune***

About the Author

Ric Edelman, one of the nation's best-known and most successful financial advisors, is a *New York Times* bestselling author with a weekly PBS television show and WABC radio program, as well as a nationally syndicated column. He serves as the resident financial expert for *The Dr. Oz Show* and is a regular contributor to *Financial Advisor* and Inc.com. *Barron's* has ranked him the “#1 Independent Financial Advisor” in the nation on three separate occasions. His firm, Edelman Financial Services LLC, handles nearly sixteen billion dollars in assets for Americans across the country, winning over 100 awards from business, advisory, communication, and community service sectors in the process. He lives in Alexandria, Virginia. You can visit him at RicEdelman.com.
