#### From the Inside Flap

Surprising. Risky. Daring to change the world. Church {just got really interesting!}

In *An Unstoppable Force*, author Erwin McManus offers a vision of the church taking its rightful place. An unstoppable force created to change the world. A church that is active and engaged with its community. A church that dares to cut itself free from atrophied practices and programs to flourish in creative and compelling worship. Where teachers of the Word risk reaching out to our multi-sensory, multi-layered culture with music, the arts and other unique expressions of love and faith. A church that prospers in the life of Christ.

New life comes into a church-an apostolic ethos-when it realizes its destiny is found in its early church origins. A living part of the body of Christ. Driven to find its uniqueness beyond being a cookie cutter copy of the "successful church." *An Unstoppable Force* will

- \*Challenge you to see God's vision for the mission and purpose of the church.

- \*Help you to explore specific changes in the culture that call for immediate change in the church.

- \*Offer practical ways for your church to find its unique voice and identity to express Christ's love and faith to your culture.

- \*Present interactive questions in each chapter to foster discussion about the life of your church, its focus on Christ, and how it can be a richer influence on your culture. Never settle for church as usual again! Let *An Unstoppable Force* excite and inspire you to be part of the Church that God had in mind!
