Demon Untamed (Shadow Quest Book 4): Paranormal Romance By Kiersten Fay

Demon Untamed weaves through the first three books in the Shadow Quest series from the perspectives of Ethan and Sonya. With extended scenes, brand new scenes, and a never before seen peek into Sonya and Ethen's activities while the others are on away missions, you can experience the Shadow Quest series as if for the first time. This is a fresh perspective with a lot more action.

Struggling to survive in an unforgiving universe, Ethan of the Guard has sacrificed his life of servitude in pursuit of a single goal: Follow his king's orders and save his people from the ravenous Kayadon overlords.

To accomplish his task, he has gone into hiding, lying in wait for a sign that his mission has begun. Making a home within a hollowed out asteroid under the alias of Pirate King, he has found success ruling over a legion of cutthroats while thinking only of his liege's vow: A Faieara princess to call his wife...until he meets her—the fiery demon who tempts him like no other.

After witnessing her father's brutal murder by the hand of deadly pirates, Sonya Uthair has developed a special kind of hatred for their kind. So when Ethan, otherwise known as the Pirate King himself, boards her ship under the protection of her brother and captain, Sebastian, she finds herself fighting to keep her distance lest she is tempted to slit his throat. Yet, with his continued presence and insistence on invading her space, he threatens to seduce her mind, body, and most frightening of all, her heart.

Demon Untamed is the fourth installment in the bestselling paranormal romance series, Shadow Quest, and takes readers on a sensual journey with a refreshing new take on the original trilogy.

Interview with the Author

Q – Tell us a little bit about your Shadow Quest series.

Shadow Quest is a unique mix of genres that incorporates paranormal romance, fantasy, and science fiction romance. My characters are based loosely in mythology with some kick-but mythical creatures such as demons, witches, and fey-like beings. Since they're all from different planets, I suppose they'd be considered aliens.

Each book focuses on the relationship of the hero and heroine and the trust they must build with one another. The connection they form is a slow-burn at first, and then turns combustible. I play with the fated mates theme, but the conflict and mistrust keeps things interesting. Ultimately love wins out in the end, if they can survive the journey.

Q – What order should I read the books in?

Each book can be read in any order and the reader can still follow along, but for the full experience, I suggest the following sequence:

- Demon Possession
- Demon Slave
- Demon Retribution
- Demon Untamed

Q – So, why should readers give these books a try?

Romance fans are ravenous, and my Shadow Quest series hits the spot. Readers have told me they have read the books several times over and still enjoy it. It's a series that draws you in and makes you long for more.

Readers who enjoy action, romance, and alpha males will want to take this epic journey.

Q - What inspired the worlds you created in Shadow Quest, having it take place in space and on different planets?

I've always been interested in sci-fi, fantasy, paranormal, and mythology. I thought about the kind of romance novels I enjoy reading and what I liked about them: the idea that there could be a supernatural world within our own, veiled from sight.

Then I thought, "What if all these creatures were really from different planets?" After that, the world building came naturally.

Editorial Review

Review

"Fay has written this 4th book very carefully, with a keen attention to detail. She has missed nothing of what's come before, and has fleshed out everything that we didn't know, at least insofar that either Ethan or Sonja knew it."

~*Styler, Amazon Reviewer*

"Their journey together was so passionate and emotionally charged that by the ending scenes I was so friggin relieved to have them happy that I almost cried. Ms. Fay wrote a beautiful ending. So worth reading!!!"

~*Moon Stars*

"This is definitely the best by far! I'm totally in love with Sonya and Ethan! And I was so excited to read at the end that there will be more to this series."

~*Amazon Reviewer*

"This was by far my favorite of the four books. Reliving Ethan and Sonya's encounters through their eyes was purely blissful. A beautifully told story from beginning to end!"

~*Tamara*
