**Lethal Consequences (The Aegis Series)** By Elisabeth Naughton

Three months after rescuing Olivia Wolfe from danger, Aegis Security operative Landon Miller still can't stop thinking about her, even though she's off-limits in every way possible. Knowing he's leaving Aegis and returning to the DIA soon, Landon decides it's time for their flirty online relationship to end. But Olivia can't stop thinking about Landon, either. On a whim, she takes a leave of absence from her teaching job to surprise him in Barcelona—and arrives to find a sexy redhead in his hotel room.

Things aren't always what they seem, though. Landon's would-be one-night stand is really a member of the Red Brotherhood, a terrorist group targeting Landon for information on a lethal bioweapon. And now Olivia is unwittingly ensnared in their deadly plot, too. Forget escaping emotionally unscathed; Olivia just wants to make it home alive. Yet to survive, she'll have to put her trust in the very man who not only broke her heart, but whose lies now threaten both their lives.

In the second book in bestselling author Elisabeth Naughton's popular Aegis series, heart-pounding suspense stirs up deliciously sizzling romance.

## **Editorial Review**

### About the Author

Before topping multiple bestseller lists—including those of the *New York Times*, *USA Today*, and the *Wall Street Journal*—Elisabeth Naughton taught middle school science. A rabid reader, she soon discovered she had a knack for creating stories with a chemistry of their own. The spark turned into a flame, and Naughton now writes full-time. Besides topping bestseller lists, her books have been nominated for some of the industry's most prestigious awards, such as the RITA® and Golden Heart Awards from Romance Writers of America, the Australian Romance Reader Awards, and the Golden Leaf Award. When not dreaming up new stories, Naughton can be found spending time with her husband and three children in their western Oregon home.

## **Users Review**

### **From reader reviews:**

#### **Nicole Garner:**

What do you ponder on book? It is just for students because they're still students or it for all people in the world, the particular best subject for that? Just simply you can be answered for that problem above. Every person has distinct personality and hobby for each and every other.
