Editorial Review

Review

"The book is entertaining, informative, and easy to read thanks to the author's self-deprecating, down-to-earth and lucid writing style. Lars Kroijer applies a birth-to-death of business narrative account and thankfully manages to find the right balance between providing anecdotes which inform on the culture, value chain, overall economics and societal value of the industry".

FT Advisor

From the Back Cover

"In a world where few understand their complexities, *Money Mavericks* provides a compelling and accurate insight into the secretive workings of a hedge fund."

Tets Ishikawa, author of *How I Caused the Credit Crunch*

"I read this book cover to cover, and enjoyed every bit of it. The hedge fund industry is not known for its modesty, yet this book is not only full of fascinating information but is refreshing in this respect as well."

Andrei Shleifer, Professor of Economics, Harvard University

"Without sensationalising, Lars tells it like it is – a no-holds-barred, warts-and-all account of what it's like to try and set up and run a hedge fund."

Neil Wilson, editor, *Eurohedge*

"A compelling and demystifying chronicle of hedge funds, and of hedge fund managers. Lars' experience is by no means novel in the industry, but his perspective most certainly is."

Drew Dickson, Managing Partner, Dickson Capital Management

Some call them 'grotesque', others as 'absolutely crazy bodies', and still more refer to them as 'hellish': hedge fund managers are stealthy, wealthy and tend to avoid the spotlight. But is this fair?

Read on to find out.

About the Author

Lars Kroijer was the CEO of Holte Capital Ltd, a London-based special situations hedge fund which he founded in 2002 before returning external capital in the spring of 2008. Prior to establishing Holte Capital, Lars served in the London office of HBK Investments. In addition, he previously worked at SC Fundamental and the investment banking division of Lazard Freres in New York. Lars graduated Magna Cum Laude from Harvard University and received a MBA from Harvard Business School.

Users Review

From reader reviews:

Robin Martz:

Book will be written, printed, or outlined for everything. You can understand everything you want by a book. Book has a different type. As we know that book is important factor to bring us around the world. Next to that you can your reading ability was fluently.
