### Editorial Review

#### Review

"Barton has written a book which could serve as a prescription for people in ministry who have come to the end of themselves. I recommend this book for leaders who have experienced a glance towards the dark night of the soul but have found themselves working harder, trusting less and growing weary in order to avoid the transforming work of the soul." (Susan Reese, *Journal of Spiritual Formation & Soul Care*, 2009)

"Ruth Haley Barton's book *Strengthening the Soul of Your Leadership* is a must-read for all those in ministry." (Larry Magnuson, *YouthWorker Journal*, January/February 2010)

"There are many books that help sharpen our leadership skills, but this one brings challenging insights to strengthen our souls which will *transform* our leadership." (Kerry Clarensau, *Enrichment Journal*, Fall 2009)

"The book is not just for those already in leadership roles, but also for those who are seeking leadership." (Marlyne Seymour, *The Living Church*, January 4, 2009)

"Ms. Barton relies heavily on the life of Moses as a window into the different aspects of leadership in which we might learn to seek God and allow God to strengthen us to provide spiritual leadership to others. The book is not just for those already in leadership roles, but also for those who are seeking leadership." (The Rev. Marlyne Seymour, *The Living Church*, January 4, 2009)

"The most significant book I read in 2008 . . . is a call to inspect one's inner life and motives for leadership with neither guilt nor obsession, allowing God to tweak and morph it at will." (Danette Matty, *YouthWorker Journal*, January/February 2009)

"It may seem hard to believe, being a pastor or other religious leader can be very draining on one's faith. *Strengthening the Soul of Your Leadership* answers a real problem that many may not realize exists for their pastors and priests." (James A. Cox, *Midwest Book Review*, December 2008)

"At times Barton's words were a needed wake-up call and at other times they were a source of refreshment. I'm thankful for both." (Mike Bonem, *Leadership Network* ([books.leadnet.org](http://books.leadnet.org)), August 30, 2008)

"This beautiful cross between *Ordering Your Private World* and *Celebration of Discipline* isn't a book you merely read; rather, [it's] one you process with the Holy Spirit, with passages that call to be re-read and swallowed slowly. Definitely not 'a glorified self-help project.'" (Danette Matty, *YouthWorker Journal*, September/October 2008)

"For those of us who lead, there are many fine books to hone our skills. But too few excavate our souls. Too few tell us stark truths, and serve up strong tonic, and give us hope and courage in the face of our calling's hardships and loneliness and moments of sheer tedium. Too few teach us how to seek and find God in the maze of committee work and the darkness of criticism and the heartbreak of betrayal. This book does all that, and well. Ruth Haley Barton has kept company with Moses, a 'pragmatic' and 'visionary' leader who found that, unless God went with him, there was no place worth going. Ruth's insights will at the very least strengthen the soul of your leadership. For some, it may make the difference in whether you finish the race at all." (Mark Buchanan, author of *The Rest of God* and pastor of New Life Community Church, Duncan,

British Columbia)

"In the same spirit in which Henri Nouwen wrote *The Return of the Prodigal Son*, Ruth Haley Barton has captured the soul of Moses and has revealed him to us as a seeker of truth, wisdom and vulnerability." (Glandion W. Carney, Chaplain of the Christian Legal Society)

"A weary, waiting world cries out for God-shaped leaders who would serve more than be served, who would find power by laying down power, who would lose their lives for others. In her reflections on the life of Moses, God's radically human and holy friend, Ruth Haley Barton has given us not only a portrait of what sacrificial and redemptive leadership looks like, but has provided practice for getting there. This is a book to read alone and together. It will encourage and empower us to seek God more deeply, to listen for and embody our innate callings, to stay faithful to our solitary and even lonely journeys in community, and to love God for the long haul." (N. Gordon Cosby, cofounder, The Church of the Saviour, Washington D.C.)

"In a landscape littered with leadership books that tinker at the margins of what really matters, Ruth Haley Barton offers us practical guidance to the core of life-changing leadership: spiritual authenticity and health. *Strengthening the Soul of Your Leadership* lays bare the ancient truth that great leadership comes from the inside out, and provides a helpful road map for examining and seeking God's transformation of that largely unexamined inner core from which true leadership proceeds. This is a powerful resource for me and my own leadership team." (Gary Haugen, president, International Justice Mission, and author of *Good News About Injustice*)

"[This] book has become for me a companion on the way. . . . The author's style is warm and accessible. I like her insights into the inner life of the leader. . . . I am deeply grateful for the helpful practices she describes and recommends. But what draws me even more is that Ruth writes with realness and integrity out of her own intimate experience of the inner journey of a leader. . . . Reading this book will surely help you to be attentive to the God who is the strength of your soul, and the heart of your leadership." (From the foreword by Leighton Ford, founder of the Arrow Leadership program and author of *The Attentive Life*)
