About the Author

#### **Fairy tales for the kid at heart...**

Mary K. Smith is a mother, a storyteller, and a kid at heart. During her childhood, her grandmother filled her imagination about stories of unicorns, fairies, and princesses. Those stories found a special place in her heart as she told those same stories to her children. As her children grew up and had their own children, they shared those stories with their children, and now Mary shares those same stories with the world.

*“Think big. Live your dreams!”*
