"The Wealth Mindset is a gift from Tim to adepts and beginners alike. I was amazed at how many nuances I missed in my previous readings of Neville. Instead of peeling away layers, this book cuts right to the core of what you need to know to get to where you want to be. It's concise, precise, and incisive. Take these easy steps: Gift this book to yourself, read it, and apply what you learn. What you learn will be one of the best investments you ever make."

"There are all of these great books out there such as this one where it tells you that you have to put thoughts and desires into the universe, but with exception of this book, all of the other books are missing one key aspect that this book finally explains. This is not only a 5-star book, it is also an absolute must read for everyone!"

- S. Marks, *Amazon Reviewer*

"Neville was able to clarify the nature of God and God's relationship to every person. He spoke of God in intimate terms as though he knew God very well, which he did."
