This is a five book collection. Titles in this collection are: Divine By Choice, Divine By Mistake, Divine By Blood, Elphame's Choice and Brighid's Quest. Conceived in a lie and trapped in a tree throughout her gestation, Morrigan's birth was truly magical. After that start, she spent the next eighteen years raised as a normal girl in Oklahoma. Upon discovering the truth of her heritage, her rage and grief take on a power of their own, carrying her back to the world of Partholon. Yet, instead of being respected as the daughter of the Goddess Incarnate, Morrigan feels like a shunned outsider. In her desperation to belong to Partholon, she confronts forces she can't fully understand or control. And soon a strange darkness draws closer... The only excitement Shannon Parker expects while on summer vacation is a little shopping. But when an antique vase calls to her, she finds herself transported to Partholon, where she's treated like a goddess. A very temperamental goddess... Somehow Shannon has stepped into another's role as the Goddess Incarnate of Epona. And while there's an upside -what woman doesn't like lots of pampering? - it also comes with a ritual marriage to a centaur and threats against her new people. Oh, and everyone disliking her because they think she's her double. Somehow Shannon needs to figure out how to get back to Oklahoma without being killed, married to a horse or losing her mind...
