Editorial Review

Review

"This is a complete guide to Binary Options Trading that talks about its myths and realities as well as the common mistakes to avoid. " - **Graham Harden**

"After reading through this book, you will definitely gain a better understand on binary options and if you're new to trading in general, you'll learn about that as well. For the low price you pay for this book, it is definitely worth the 'investment'..ha!" - **Tom Daroon**

"The contents were not so hard to understand compared the other ones I've read" - **Kathryn**

From the Inside Flap

The Underlying Asset - Do Not Take It For Granted

One of the most critical decisions is to choose the most appropriate asset in dealing with the binary options. Many people think it as a plain issue and start with whatever is available. However wise traders do not follow this approach. If you want to be genuinely involved in the binary option you have to make this decision very wisely.

Call And Put - Try To Differentiate

In the broader terms, call and put are opposite to each other. Call is a connotation when it is assumed that the value of the asset will rise and eventually the traders use the call option. On the other hand, put is the reverse which assumes that the price of the asset will fall down and the trader uses put option. But put option is not an indication of lose; the trader can win in case of the falling prices when they rightly hit the put option.

Chapter 4:

Know The Trading Psychology In Dealing With Binary Options - Ensure Avoiding Mistakes

The fundamental myth which is prevalent regarding the whole financial sector is the absence of affective or emotional content. Majority of people around, believe that those who dealing in financial arena are purely driven by the cognitive content of their brain and pay no or little attention to the emotions and emotional triggers. However this cannot be true, after all financial markets are also catering and being driven by humans who cannot claim to be robots or supernatural being. So expecting an absence of emotions in these individual is no less than ignorance...

About the Author

I've helped thousands of people become financially free, mostly via:
