Flunked (Fairy Tale Reform School) By Jen Calonita

Would you send a villain to do a hero's job?

Flunked is an exciting new twisted fairy tale from the award-winning author of the *Secrets of My Hollywood Life* series. "Charming fairy-tale fun." -Sarah Mlynowski, author of the *New York Times* bestselling *Whatever After* series.

Gilly wouldn't call herself wicked, exactly...but when you have five little brothers and sisters and live in a run-down boot, you have to get creative to make ends meet. Gilly's a pretty good thief (if she does say so herself).

Until she gets caught.

Gilly's sentenced to three months at Fairy Tale Reform School where all of the teachers are former (super-scary) villains like the Big Bad Wolf, the Evil Queen, and Cinderella's Wicked Stepmother. Harsh. But when she meets fellow students Jax and Kayla, she learns there's more to this school than its heroic mission. There's a battle brewing and Gilly has to wonder: can a villain really change?

"Fairy Tale Reform School is spellbinding and wickedly clever. Gilly is smart, spunky, and a hilarious narrator, and I cannot wait to read about her next adventure!" -Leslie Margolis, author of the *Annabelle Unleashed* novels and the *Maggie Brooklyn* mysteries

"Fairy Tale Reform School is a fresh and funny take on the enchanted world. (And who hasn't always wanted to know what happened to Cinderella's stepmother?)" -Julia DeVillers, author of the *Trading Faces* identical twin series and *Emma Emmets*, *Playground Matchmaker*

Editorial Review

From School Library Journal

Gr 4–7—Fairy tale lore is given a hilarious makeover in this first entry in the "Fairytale Reform School" series. Kristin Condon voices a diverse cast of new and familiar characters. Twelve-year-old Gillian Cobbler is sent to the reform school after she's discovered stealing from the royals—Cinderella, Snow White, Rapunzel, and Sleeping Beauty rule collectively—to feed her large family. Condon raises and drops her pitch and volume to match the changing moods Gillian goes through during her first few weeks at the school. Condon's Flora (Cinderella's stepmother) has a full, throaty voice that works well for the knowing headmistress of FTRS, who is determined to direct young transgressors like Gillian back onto the right path. Even when she must go to the very lowest part of her register to portray Professor Wolfington (aka the Big Bad Wolf), Condon is completely convincing. The lively music and spot-on pacing add to the fun. **VERDICT** This is a wonderful family audio whose open ending will have all ages of listeners clamoring for the next installment.—Shari Fesko, Southfield Public Library, MI

Review

"This enjoyable series launch creatively incorporates familiar fairy-tale characters and hallmarks-princesses, talking mirrors, spells, and magical beings, from fairies to ogres-along with an engaging and spirited protagonist, abundant plot turns, and witty touches. Overall, there's much to amuse and entertain fans of classic tales with a twist." - Booklist

"Calonita blithely samples from fairy tales, nursery rhymes, and folklore in this lighthearted first book in the Fairy Tale Reform School series.... Recognizable fairy-tale characters abound (profiles of the school's instructors, like Xavier Wolfington, the wolf from Little Red Riding Hood, appear throughout), and questions of whether goodness or badness run to the core of a person leave readers with plenty to consider." - Publishers Weekly

"Gilly's plucky spirit and determination to oust the culprit will make "Flunked" a popular choice for tweens" - School Library Journal

"A reform school where all the teachers are former villains. Kinda writes itself, right" - SLJ Fuse 8

"Fairy tale fans will love this clever and lively tale of magic, courage, and friendship." - Discovery Girls
