Tamed By Chloe Parks

Here is the first book in the ‘Tamed’ Series by author Chloe Parks, a seductive contemporary romance filled with intense passion and sensuality.

Leah and Stacy are identical twins, but they couldn’t have more different lives. Leah is broke and jobless, while Stacy is a star of the popular soap opera Young, Wild and Rich. But when Stacy suddenly disappears, Leah must find a way to adapt to her sister’s lifestyle in order to save her job.

Now she finds herself in the spotlight, impersonating her sister in a lead soap-opera role, and trying not to lose her head over her sexy co-star Matt Delaney and his mind-numbingly magnetic good looks. Matt is utterly gorgeous—sharp blue eyes, a chiseled face, and a body that makes Leah feel giddy. How will she be able to keep her head on set when sexy Matt Delaney is around? Romance combined with mistaken identity proves a recipe for drama, as nothing stays simple in Leah’s new double-life.

Only mature readers should download this book.

From reader reviews:

Inez Tuller:

Nowadays reading books are more than want or need but also work as a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book this improve your knowledge and information. The info you get based on what kind of guide you read, if you want drive more knowledge just go with training books but if you want feel happy read one with theme for entertaining including comic or novel. The actual Tamed is kind of publication which is giving the reader unforeseen experience.

Rocio Linville:

Why? Because this Tamed is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will distress you with the secret it inside. Reading this book close to it was fantastic author who also write the book in such awesome way makes the content inside easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of positive aspects than the other book get such as help improving your proficiency and your critical thinking method. So , still want to delay having that book? If I had been you I will go to the book store hurriedly.

Darrin Russell:

Playing with family within a park, coming to see the ocean world or hanging out with pals is thing that usually you might have done when you have spare time, subsequently why you don't try issue that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Tamed, you may enjoy both. It is fine combination right, you still desire to miss it? What kind of hang type is it? Oh occur its mind hangout guys. What? Still don't have it, oh come on its known as reading friends.

Susan Rogers:

A lot of e-book has printed but it is unique. You can get it by online on social media. You can choose the best book for you, science, comic, novel, or whatever by simply searching from it. It is referred to as of book Tamed. Contain your knowledge by it. Without leaving behind the printed book, it could possibly add your knowledge and make a person happier to read. It is most important that, you must aware about e-book. It can bring you from one place to other place.
