The Biblical Guide to Alternative Medicine By Neil T. Anderson, Michael Jacobson

A friend swears to you that her new herbalist cured her migraines. After years of trying everything else, your brother's lower-back pain is relieved by acupuncture-though your family doctor doubts it will work for long. When it comes to holistic health and medicine, everyone has questions-and now, thanks to Dr. Neil T. Anderson and Dr. Michael Jacobson, Doctor of Osteopathy, we have authoritative, biblically based answers! The Biblical Guide to Alternative Medicine gives you a biblical grid for evaluating medical treatments and systems and alternative therapies-then having separated the fantasies from the hard facts, it shows you how to develop your own "recipe" for holistic health and apply it to your daily life. Do the authors have all the answers where theology and medicine are concerned? No-but God does!
