**Have you lost money trading the Forex Markets? Or are you consistently winning and making a regular income with your trading?**

Are you watching the markets without enough confidence to enter trades?

Are you spending money in third-party systems that don't seem to yield you any results?

Are you wasting your money trading without enough knowledge?

Do you want to understand the systems and tactics advanced and professional Forex traders use to build their accounts?

If you aren't achieving the results you want from Forex Trading this book will help you get there **faster and easier**.

**If you only knew that by tweaking and fixing certain aspects of your trading you could literally start making money right away.**

The knowledge and information contained in **The Black Book Of Forex Trading** was learned by me after several years of losing, trying and testing. Spending thousands in systems, courses and coaches to get to where I am now.

You could easily learn the core of what I know by reading this book. And literally change your trading forever since the concepts are simple and easy to follow.

**What actionable and realistic Forex tactics will you learn?**

- How to stop struggling with the markets

- How to STOP losing money!
- Gain enough confidence to trade, knowing that you have the right knowledge and the numbers are in your favor
- Adapt any of my THREE proven, powerful yet simple forex trading strategies to your own needs (day trade, swing trade or position trade)
- Start earning money CONSISTENTLY
- Become a profitable trader in four months or less
- Fund your financial freedom and the lifestyle you want with your trading

**All of this while you develop a real Forex System to win constantly**

**Trading doesn't have to be complicated to make you money**

Aimed for beginner to intermediate traders who can't yet become successful in their trading, this book will guide you and help you answer many questions normally other books, courses and gurus won't cover.

Written by a real trader who lost most of his life savings due to bad trading, only to make them back many times over after learning a Proven, Powerful yet Simple method that is COMPLETELY laid out for you in this book, no secrets kept.

**This book covers the three main areas of trading:**

- 1- Strategies - how to adapt a winning strategy to your personal lifestyle and needs (no black box or spaghetti charts full of indicators and lines, just simple and pure price action, easy to read and follow)
2. Money Management - How to optimize and maximize your winnings without risking too much
3. Get control of your emotions and become a better trader - Why most traders let their emotions rule their trading and a few simple steps to control how your mind play tricks to you while you trade.

At the end of the book you will find a very simple to follow yet very powerful blueprint to plan your next months, get control of your financial future and achieve your trading success.
