The Wish List By Jane Costello

THE SUNDAY TIMES TOP TEN BESTSELLING AUTHOR There are six months left of Emma Reiss's twenties and she has some unfinished business ...Emma and her friends are about to turn thirty, and for Emma it's a defining moment. Defined, that is, by her having achieved none of the things she'd imagined she would. Her career is all wrong, her love life is a desert and that penthouse apartment she pictured herself in simply never materialised. Moreover, she's never jumped out of a plane, hasn't met the man she's going to marry, has never slept under the stars, or snogged anyone famous - just some of the aspirations on a list she and her friends compiled fifteen years ago. As an endless round of birthday parties approaches, Emma sets about addressing these issues. But, as she discovers with hilarious consequences, some of them are trickier to tick off than she'd thought ...Full of warmth, friendship, fun and laughter, The Wish List is a novel to devour!

Editorial Review

Review

"'Close the doors, open a bottle of wine, get out the chocs and enjoy this wonderfully witty read. Jane Costello at her best' (Milly Johnson) 'Jane Costello earned her place on the bestsellers list with her witty, colourful and fast-paced style. All The Single Ladies proves that she certainly hasn't lost her touch' (Heat) 'Jane Costello is fast becoming one of our favourite authors - and All the Single Ladies doesn't disappoint' (Cosmopolitan)"

About the Author

From reader reviews:

Jackie Gonzalez:

Nowadays reading books are more than want or need but also work as a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book this improve your knowledge and information. The info you get based on what kind of reserve you read, if you want send more knowledge just go with knowledge books but if you want sense happy read one having theme for entertaining for example comic or novel. Often the The Wish List is kind of book which is giving the reader unforeseen experience.

Carole Clark:

Often the book The Wish List will bring you to definitely the new experience of reading a new book. The author style to elucidate the idea is very unique. If you try to find new book you just read, this book very ideal to you. The book The Wish List is much recommended to you to study. You can also get the e-book in the official web site, so you can easier to read the book.

Donald Bonilla:

Do you like reading a reserve? Confuse to looking for your favorite book? Or your book seemed to be rare? Why so many problem for the book? But any people feel that they enjoy to get reading. Some people likes

reading, not only science book but also novel and The Wish List or perhaps others sources were given understanding for you. After you know how the fantastic a book, you feel need to read more and more. Science publication was created for teacher or students especially. Those guides are helping them to increase their knowledge. In some other case, beside science publication, any other book likes The Wish List to make your spare time far more colorful. Many types of book like this one.

Edward Lott:

As a student exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some e-book, they are complained. Just very little students that has reading's soul or real their passion. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading really. Any students feel that reading through is not important, boring along with can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Wish List can make you experience more interested to read.
