Editorial Review

Review

"The content of this text injected many current "real world" corporate practices which, made excellent validation of the chapter's messages, terms and concepts. The follow up with a Self-Assessment should help to anchor these points with the students. Better than most I have seen."

About the Author

Chuck Williams is Professor of Management at the College of Business at Butler University. Dr. Williams previously served as Dean at Butler's College of Business and at the Eberhardt School of Business at the University of the Pacific, and as Associate Dean, Department Chair and Associate Professor of Management at the M.J.
