Editorial Review

Review

"This volume of familiar myths is both readable and attractive. . . . The author provides a happy introduction to classical mythology." New York Times Book Review Notable Book

"Offers a new and different approach to the old stories which may be of interest both to young readers and to students of legends." Chicago Tribune Editor's Choice

About the Author

Olivia Coolidge was born in London, England, in 1908. She received her education at Somerville College, Oxford University, where her main subjects included Latin, Greek, and philosophy. These studies helped her earn her place in the pantheon on children's literature through her mythological retellings demonstrating careful research and the adroit capacity to bring the past to life.

Users Review

From reader reviews:

Angela Drew:

The book Greek Myths can give more knowledge and information about everything you want. So just why must we leave the great thing like a book Greek Myths? A number of you have a different opinion about reserve. But one aim in which book can give many facts for us. It is absolutely proper. Right now, try to closer along with your book. Knowledge or info that you take for that, you may give for each other; you can share all of these. Book Greek Myths has simple shape nevertheless, you know: it has great and large function for you. You can search the enormous world by available and read a guide. So it is very wonderful.

Kathi Adamo:

Information is provisions for individuals to get better life, information nowadays can get by anyone in everywhere. The information can be a know-how or any news even an issue. What people must be consider when those information which is in the former life are challenging be find than now's taking seriously which one would work to believe or which one typically the resource are convinced. If you have the unstable resource then you obtain it as your main information it will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take Greek Myths as the daily resource information.

Patricia Stewart:

You are able to spend your free time to learn this book this e-book. This Greek Myths is simple to bring you can read it in the playground, in the beach, train and soon. If you did not have much space to bring typically the printed book, you can buy the actual e-book. It is make you easier to read it. You can save often the book in your smart phone. Therefore there are a lot of benefits that you will get when one buys this book.

Cheryl Waller:

This Greek Myths is brand-new way for you who has fascination to look for some information as it relief your hunger associated with. Getting deeper you on it getting knowledge more you know otherwise you who still having bit of digest in reading this Greek Myths can be the light food to suit your needs because the information inside this particular book is easy to get through anyone. These books produce itself in the form which is reachable by anyone, yeah I mean in the e-book form. People who think that in e-book form make them feel sleepy even dizzy this e-book is the answer. So there is not any in reading a publication especially this one. You can find what you are looking for. It should be here for a person. So , don't miss the item! Just read this e-book kind for your better life and also knowledge.
