Napoleon vs the Old and New World Orders: How the Rothschilds Conquered Britain & France By M S King

We all know, at least vaguely, the story about Napoleon Bonaparte. You know -- the one about the self-professed son of a republican revolution against monarchy, who then installed himself as a monarch. Napoleon was, we are told, an egomaniacal tyrant with "short man's inferiority complex" who tried to enslave the European continent. Led by the brave British, a coalition of "The Good Guys" banded together to thwart the ambitions of the great "usurper" and trouble-maker of Europe. There is just one problem with this official narrative of the giant historical figure of the 1800's. To put it gently – it's a damn lie. (surprise – surprise). Now, one can easily understand the reason for the propagation of lies and slanders aimed at Napoleon being perpetuated by the entrenched monarchies of Europe at the time. Quite simply, Napoleon's philosophical vision of good governance (which we will explore later on) posed a direct threat to their 'Old World Order' of running things. Oddly enough, long after the old monarchies have either gone extinct or been neutered, the name of Napoleon Bonaparte still carries a negative, though diminished, stink to it. This seems very strange – that is until we realize that the forces behind the 'New World Order', which were already in operation at the time, had just as much reason to oppose Napoleon as the old Royal Houses of Europe, such as the International Bourbon Family, did. You see, Napoleon, like the early Illuminati / Jacobin Reds may have opposed the Vatican-affiliated French Monarchy, but unlike the controlled agents of the Rothschild New World Order gang, Napoleon was not an anti-Church atheistic Jacobin per-Communist by any means – not even close! Indeed, had Napoleon been able to withstand the numerous coalitions arrayed against him, both the 'Old World Order' and the "New World Order" would have been put "out of business" a long time ago. And that is why this illustrated historical summary is titled: 'Napoleon vs the Old and New World Orders'. Enjoy the show.

Editorial Review

About the Author

M. S. King is a private investigative journalist and researcher based in the New York City area. A 1987 graduate of Rutgers University, King's subsequent 30 year career in Marketing & Advertising has equipped him with a unique perspective when it comes to understanding how "public opinion" is indeed scientifically manufactured. Madison Ave marketing acumen combines with 'City Boy' instincts to make M.S. King one of the most tenacious detectors of "things that don't add up" in the world today. Says King of his admitted quirks, irreverent disdain for "conventional wisdom", and uncanny ability to ferret out and weave together important data points that others miss: "Had Sherlock Holmes been an actual historical personage, I would have been his reincarnation." Among other works, King is also the author of: • The Bad War: The Truth Never Taught About World War 2 • Planet Rothschild (2 Volumes): Forbidden History of the New World Order • The War Against Putin: What the Government-Media Complex Isn't Telling You About Russia. • The REAL Roosevelts: An Omitted History King's website is TomatoBubble.com and his Author page at Amazon.com is 'M S King'. His other interests include: the Animal Kingdom, philosophy, chess, cooking, literature and history (with emphasis on events of the late 19th through the 20th centuries).
