What if the steps they take to avoid marriage...

The last thing Asher MacGregor, newly titled Earl of Balfour, wants is a society wife, though he has agreed to squire Boston heiress Hannah Cooper about the London ballrooms. When he's met that obligation, he'll return to the Highlands, and resume the myriad responsibilities awaiting him there.

...Lead instead to impossible love?

At her step-father's insistence, Hannah Cooper must endure a London season, though she has no intention of surrendering her inheritance to a fortune hunter. When she's done her duty, she'll return to Boston and the siblings who depend upon her for their safety... or will she? The taciturn Scottish earl suits her purposes admirably-until genuine liking and unexpected passion bring Asher and Hannah close. For if the Scottish earl and the American heiress fall in love, an ocean of differences threatens to keep them apart.

Editorial Review

From [Booklist](#)

As Burrowes continues her MacGregor series (Once Upon a Tartan, 2013), Hannah Cooper's Boston family sends her across the sea to London to make a good match—or else. Her tyrannical stepfather has trapped her family under his unpleasant rule. Yet rather than think of escape, Hannah wants only to get her inheritance and return to save her loved ones. Asher MacGregor, the new earl of Balfour, is not interested in debutantes but takes paying his debt seriously in the form of showing the Boston heiress the proper way to do things in London. They soon realize that they are the only match for each other, but they cannot figure out how to take care of their familial responsibilities. As usual, Burrowes brings strong conflict and emotion to a very appealing cast. Her secondary characters are as colorful as the hero and heroine, and readers will enjoy revisiting beloved characters, including the Windhams. And Asher's background and mixed-race heritage bring interesting facets to the time period and to this excellent series. --Amy Alessio
