The Masada Scroll By Paul Block, Robert Vaughan

In the great tradition of novels like *The Robe* by Lloyd C. Douglas and, more recently, *Christ the Lord* by Anne Rice and *Stone Tables* by Orson Scott Card, *The Masada Scroll* is bold and reverent, with deep and important meaning for today's world.

At the heart of this timely novel is the discovery of a previously unknown gospel that predates the four gospels of the New Testament. The scroll introduces a mysterious symbol that combines the Star of David, the Cross of Christianity and the Crescent and Star of Islam. None of these symbols existed at the time the Gospel was written, adding to the mystery that Michael Flannery, an Irish priest, must unravel.

Flannery discovers that the symbol represents the Trevia Dei, or *Three Paths to God*. At the heart of Jesus' message is the unity of the paths that lead to God. The true meaning of Trevia Dei has become perverted over the centuries, turning the message of unity into a single path to salvation.

But there are those who do not want the message of this wonderful book of light and love brought to our troubled world, who have chosen to separate rather than unite God's children.

The Masada Scroll is the story of the new Apostles who struggle to bring the simple message of Jesus back into a world desperate for joy.

The Masada Scroll is a tale of the timeless quest for spiritual truth and redemption. It is a story that will change the way you look at the world...and your own heart.

Editorial Review

From [Booklist](#)

A Catholic priest, an American scholar, and a nice Jewish girl mull over the significance of an ancient document unearthed at the site of Israel's to-the-last-man stand against the Romans. The scroll is the long-theorized "Q" document--an eyewitness, written account of the life of Jesus. The message of the scroll is "*trevia dei*," or that there are three paths to God--Christianity, Islam, and Judaism. Thus Jesus could become the modern-day prophet of world peace, but naturally, there's an extremist Catholic group that wants to suppress the truth. Block and Vaughan offer up cliché after cliché, but they also include a great deal of arcane knowledge, perhaps even enough to satisfy *Da Vinci Code* fans.

Review

"An exhilarating blend of relentless adventure, scholarly intrigue and cutting wit..."--*Newswire Today* on *The Masada Scroll*

"*The Masada Scroll* speaks a strong message that whether one follows Christianity, Islam or Judaism, all paths lead to God, and it is this message that makes *The Masada Scroll* a deeply moving novel that can be appreciated by all who pick it up."--*TCM Reviews*

About the Author

Paul Block is the author of sixteen novels and the former editor-in-chief of Book Creations Inc., a book producer specializing in historical fiction. Block is also a working journalist and photographer. He currently is executive producer of timesunion.com, the Web site of the Times Union newspaper in Albany, New York. His photography is featured at paulblock.com. Block grew up in Glen Cove, New York, and attended the State University of New York at Binghamton and Empire State College. He has two grown children and lives in the Albany area.

Robert Vaughan sold his first book when he was 19 years old. That was 50 years, nearly 250 titles, and 20 million books ago. Writing under 35 pseudonyms, he has hit the *New York Times* and *Publishers Weekly* bestseller lists twice.

His book *Survival* (under the pseudonym K.C. McKenna) won the Spur Award for best western novel (1994), *The Power and the Pride* won the Porgie for best paperback original (1976), and *Brandywine's War* was named by the Canadian University Symposium of Literature as the best iconoclastic novel to come from the Vietnam War. He was inducted into the Writers' Hall of Fame in 1998.

From reader reviews:

Hilda Baker:

Here thing why this The Masada Scroll are different and trusted to be yours. First of all looking at a book is good but it depends in the content of the usb ports which is the content is as delicious as food or not. The Masada Scroll giving you information deeper as different ways, you can find any e-book out there but there is no reserve that similar with The Masada Scroll. It gives you thrill reading through journey, its open up your eyes about the thing which happened in the world which is might be can be happened around you. It is possible to bring everywhere like in recreation area, café, or even in your way home by train. For anyone who is having difficulties in bringing the imprinted book maybe the form of The Masada Scroll in e-book can be your substitute.

Mary Case:

Spent a free the perfect time to be fun activity to perform! A lot of people spent their sparetime with their family, or their very own friends. Usually they doing activity like watching television, gonna beach, or picnic inside park. They actually doing same thing every week. Do you feel it? Will you something different to fill your current free time/ holiday? Can be reading a book could be option to fill your no cost time/ holiday. The first thing that you ask may be what kinds of publication that you should read. If you want to try look for book, may be the book untitled The Masada Scroll can be excellent book to read. May be it can be best activity to you.

Jacob Florence:

People live in this new moment of lifestyle always try to and must have the time or they will get large amount of stress from both everyday life and work. So , once we ask do people have extra time, we will say absolutely yes. People is human not a robot. Then we ask again, what kind of activity have you got when the spare time coming to an individual of course your answer will certainly unlimited right. Then do you ever try this one, reading ebooks. It can be your alternative inside spending your spare time, typically the book you have read is actually The Masada Scroll.

Marian Dyer:

Reserve is one of source of know-how. We can add our know-how from it. Not only for students and also native or citizen need book to know the update information of year in order to year. As we know those guides have many advantages. Beside most of us add our knowledge, can also bring us to around the world. With the book The Masada Scroll we can acquire more advantage. Don't that you be creative people? To be creative person must love to read a book. Merely choose the best book that suited with your aim. Don't end up being doubt to change your life at this time book The Masada Scroll. You can more appealing than now.
