Editorial Review

Review

"Street legend Woods goes hardcover but stays *True to the Game*."—***Library Journal on ALIBI***

"Street-lit pioneer Woods (*True to the Game*) makes her hardcover debut with this gritty, botched robbery tale. While giving a sympathetic voice to her financially desperate heroine—who entertains no fantasies of knights in shining armor and uses sex to get what she wants—Woods observes that easy cash comes with a steep price. Her fans are sure to demand this; buy multiple copies."—***Library Journal on ALIBI***

"Woods writes with feeling and a strong sense of her Philadelphia setting; in addition her characters manage to become more than just stereotypes they initially appear to be. Fast-paced and exciting, *Alibi* is an action-filled story about the desperate life of one urban girl and the of consequences trying to break away. Woods' following will snap this up, but it can find a wider audience with thriller readers who like George Pelecanos' *The Turnaround* and with fans of the urban crime drama *The Wire*."—***Booklist on ALIBI***

"This New Jersey author has the urban fiction genre locked up."—***Sunday Star Ledger on ALIBI***

"Urban fiction fans will welcome the melodramatic final entry in bestseller Woods's *True to the Game* trilogy, which vividly depicts the 1990s drug culture."—***Publishers Weekly on TRUE TO THE GAME III***

"Woods keeps it raw in this gutsy sequel that features the round-the-way girl who fell hard for Quadir, the millionaire drug dealer."—***Essence magazine on TRUE TO THE GAME II***

About the Author

Teri Woods is a native of Philadelphia. She has worked as a legal secretary/paralegal for eight years in a Philadelphia Center City law firm practicing in defense litigation for a national insurance company. She began writing *True to the Game* in 1993. She copyrighted her work in 1994 and began to submit her work to publishers. After being turned down, the book sat dormant in a closet for two years. By 1997, she was determined to do something for herself. In 1998, she began selling hand made books on the street and out the trunk of her car. With the success of the hand made books, she started her own publishing and production company, Meow Meow Productions, and has successfully launched her first novel, *True to the Game*, making it available for bookstores across the country.

Users Review

From reader reviews:

Joseph Asher:

Now a day people that Living in the era where everything reachable by interact with the internet and the resources inside it can be true or not need people to be aware of each data they get. It is most important to arrange yourself to make your knowledge are still update. Let's try to choose right ways for you.

Roger Moxley:

As a pupil exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some reserve, they are complained. Just tiny students that has reading's internal or real their interest. They just do what the professor want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that examining is not important, boring along with can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this True to the Game: A Teri Woods Fable can make you truly feel more interested to read.
