Wilson Reading System - Student Workbook Two A By Barbara A. Wilson

Student Workbook 2A provides supplemental student activities for Wilson Reading System. Step 2 at the A-Level vocabulary which is a level appropriate for younger students or English language learners. The WILSON Reading System® is a highly-structured remedial program that directly teaches the structure of the language to students and adults who have been unable to learn with other teaching strategies, or who may require multisensory language instruction. It is based on research and Orton-Gillingham philosophy and provides a teacher-friendly, comprehensive program for older students. The Wilson Reading System specifically addresses the learning style of students with a language-based learning disability; however, it is beneficial to any student lacking basic reading and spelling skills. It is appropriate for students with beginning literacy skills through grade six level skills if the student has not mastered the decoding and spelling process.
